

## LAIMIS, WEB DEVELOPER

I'm web developer from Lithuania, currently living in Denmark where I moved to advance my knowledge and long-lived passion for programming and web technologies, which started back in 2014. On my free time I'm working on personal projects which you can learn more about on my Github page.

### TECHNICAL SKILLS

- HTML5, CSS3, PHP (Laravel), Javascript (ES6), Gulp, Angular2+, React (Redux), Webpack, NodeJS, MongoDB, SQL, Firebase, REST API, Apollo GraphQL, GIT, Unit Testing.

### SOFTWARE DESIGN AND ARCHITECTURE SKILLS

- MVC, BEM for CSS, Revealing Module Pattern, Pub/Sub, Observer pattern, Prototypal pattern, OOP, PDO, Data structures, Time complexity.
